

## 2007 Law

### **LAW 18 - BIDS**

#### A. Proper Form

A bid designates a number of odd tricks (tricks in excess of six), from one to seven, and a denomination. (Pass, double and redouble are calls but not bids.)

#### B. To Supersede a Bid

A bid supersedes a previous bid if it designates either the same number of odd tricks in a higher-ranking denomination or a greater number of odd tricks in any denomination.

#### C. Sufficient Bid

A bid that supersedes the last preceding bid is a sufficient bid.

#### D. Insufficient Bid

A bid that fails to supersede the last preceding bid is an insufficient bid.

#### E. Rank of the Denominations

The rank of the denominations in descending order is: no trump, spades, hearts, diamonds, clubs.

#### F. Different Methods

Regulating Authorities may authorize different methods of making calls.

## 2017 Law

### **LAW 18 - BIDS**

#### A. Proper Form

A bid designates a number of odd tricks (tricks in excess of six), from one to seven, and a denomination. (Pass, double and redouble are calls but not bids.)

#### B. To Supersede a Bid

A bid supersedes a previous bid if it designates either the same number of odd tricks in a higher-ranking denomination or a greater number of odd tricks in any denomination.

#### C. Sufficient Bid

A bid that supersedes the last preceding bid is a sufficient bid.

#### D. Insufficient Bid

A bid that fails to supersede the last preceding bid is an insufficient bid. **It is an infraction to make an insufficient bid (see Law 27 for rectification).**

#### E. Rank of the Denominations

The rank of the denominations in descending order is: no trump, spades, hearts, diamonds, clubs.

#### F. Different Methods

Regulating Authorities may authorize different methods of making calls.
